

**CALL FOR VISITING PROFESSOR  
PRINT / CAPES / UFF PROJECT**

**CLIMATE PROJECT - REGIONAL AND GLOBAL CLIMATE CHANGE: FROM THE PAST TO THE  
FUTURE.**

**CALL CLIMATE 03/2020**

The coordination of the project "CLIMATE Project - Regional and Global Climate Change: from the past to the future" makes public the opening of registrations for selection of two Visiting Professors in Brazil according to the Institutional Program of Internationalization - Capes-Print EDITAL nº. 41/2017, and other legislation applicable to the CAPES-Print project, aiming to consolidate and strengthen the international cooperation between the *stricto sensu* Graduate Programs of the Fluminense Federal University (PPGs: Geosciences (Geochemistry), Ocean Dynamics and Earth, Geography, Marine Biology and Coastal Environments, Physics) and associated international research centers.

**1. PURPOSE**

The present call aims to select two (2) Visiting Professors, with the purpose of attracting prominent international professors and researchers in the areas of interest of the CLIMATE Project to provide short courses (Summer School) for students of the PPGs involved in this project, increasing the scientific and technological development of the participating programs and strengthening institutional cooperation.

The specific objectives of the Program are:

- 1.1 Promote integration between the different postgraduate programs involved in the CLIMATE Project;
- 1.2 Strengthen collaboration between researchers working in Brazil and abroad;
- 1.3 Assist in the process of internationalization of higher education and Brazilian science, technology and innovation;

**2. THE SHORT-TERM COURSE**

- 2.1 Selected visiting professors should provide a short course in the format of a Summer / Winter School, with a maximum duration of 30 days, the central theme of the CLIMATE project;
- 2.2 The course should also count on the participation of Brazilian professors from PPGs associates to the CLIMATE Project;
- 2.3 The course will be offered to graduate students from associate CLIMATE Project PPGs, with the possibility of attending students outside these PPGs.

**3. ELIGIBILITY**

Candidate's eligibility conditions are:

- 3.1 be professor or researcher with recognized competence in their area of activity;
- 3.2 show relevant scientific production, preferably in the last five years;
- 3.3 present a detailed short-term course syllabus to be offered, which shows adherence to the main thematic of the CLIMATE project;
- 3.4 present an invitation letter by the PPG to which it will be associate.

#### **4. BENEFITS OFFERED TO VISITING PROFESSOR**

4.1 These are eligible items within the scope of this Call for Visiting Professor in Brazil at UFF:

- a) international airfare ticket in economy class, round trip between the country of origin and Brazil;
- b) daily that contemplates the maximum permanence of 30 days of the researcher in Brazil.

4.1.1. CAPES and UFF will not reimburse airfare purchased outside the Program rules, will not cover changes fees and will not grant passage to others.

4.1.2. CAPES and UFF will not cover any costs other than those described in sub-item 4.1, such as: health insurance, life insurance, accident insurance, among others. For this reason, it is recommended that the Visiting Professor acquire health and / or life insurance, as there will be no reimbursement of any kind of medical expenses, due to personal accident or damages caused to third parties.

4.1.3. The Medical, Dental and Pharmaceutical Assistance of the foreigners in Brazil will be covered by the Sistema Unico de Saúde (SUS), in accordance with the agreement signed between the Ministry of Foreign Affairs (MRE) and the Ministry of Health in 25 of January 1994.

4.2. The corresponding benefits are defined by CAPES Ordinance No. 132, dated August 18, 2016.

#### **5. APPLICATION**

Application must be submitted online by the foreign candidate or by the guest Brazilian professor (associate to the CLIMATE project) on the CLIMATE project website (<http://www.geoprint-uff.com.br>). The following documents are required:

- 5.1. Application Form (available at <http://www.geoprint-uff.com.br>)
- 5.2. *Curriculum Vitae*;
- 5.3. Invitation letter issued by the guest PPG associate to the CLIMATE Project;
- 5.4. Syllabus of the short-term course will be offered.

#### **6. ANALYSIS AND CLASSIFICATION OF APPLICATIONS**

The applications will be analyzed by the designed committee for selection of Visiting Professor in Brazil, registered by the CLIMATE Project coordination, by evaluating the Proposals and Curricula of the respective Candidates.

#### **7. RESULTS AND APPEAL**

The Visiting Professor Selection Committee in Brazil of the CLIMATE Project will disseminate the results on the website <http://www.geoprint-uff.com.br> according to the schedule set in item 8.

Requests for reconsideration of results may be submitted to the Selection Committee of Visiting Professor in Brazil of the CLIMATE Project.

- a. Appeal form must be submitted within 48 hours after publication of the results;
- b. The Selection Committee will have 5 working days to respond to the application for Appeal.
